Xmas Food Drive Campaign 2022

To whom it may concern,

It's that time again when businesses and communities work together to help make Christmas a happy time for all families.

Feed it Forward volunteers are now working hard throughout WA to gather food items for Christmas hampers in their own communities and we would love your support!

With your permission, we would like to place a food donation bin/s on your premises for staff and customers to make non-perishable food donations if they are able to. The bins will be collected by a Feed it Forward Volunteer.

Our goal is to provide 1000 hampers this year and your help would be great appreciated by each of us who volunteer to make Feed it Forward happen and most importantly by the children and families we support.
